

## **CABO REAL GOLF CLUB**

Showpiece of a 2,800-acre resort and residential project with 3.2 miles of beachfront, Cabo Real Golf Club features a multi-themed, target-style course designed by Robert Trent Jones, Jr. The recent reversal of the club's nines have greatly enhanced the layout's flow and drama.

In its current configuration, Cabo Real's front nine, completely refashioned by Jones from a pre-existing layout, provides a scenic, gentle test with broad fairways tumbling down to the Sea of Cortes, notably at the short par-4 fifth, which plays across an arroyo en route to the beach. The par-3 6th hole, is propped up on a seaside bluff, which looking back will reward you with a view of endless palm trees and beautiful white sand beach.

With breathtaking holes chiseled into desert foothills at the foot of rugged mountain peaks, Cabo Real's longer back nine presents a great test of golf. Free-form bunkers and small, elevated greens combine with fairways that play along ridge tops, to provide an expansive feel. The 14<sup>th</sup> hole, at 454 yards, runs along the edge of a steep canyon to a green carved into a precipice at the layout's highest point—nearly 500 feet above the sea. The short par-4 17<sup>th</sup> hole is a study in clean lines. This right-to-left dogleg is punctuated by two large fairway bunkers, a sentinel cactus and a small green benched into the base of a hill. From an elevated tee, the brawny par-4 18<sup>th</sup> hole is a classic finishing hole that will force you to navigate the crossing arroyo on the right and the expansive lake on the left.

Host to two PGA Senior Slam events (1996, 1999), Cabo Real offers a memorable, well-balanced test of golf. Uphill holes generally play downwind, while downhill holes usually play into the prevailing onshore breeze. Jones and his design team artfully contoured the green complexes and containment mounds to mimic the shapes of the richly hued mountain peaks in the Sierra de la Laguna that frame the course.

### **Accolades**

- "Cabo Real is a superb course: strategic, inventive, beautifully maintained." --Golf Odyssey
- "Cabo Real is a wonderfully conditioned and playable design by Robert Trent Jones II." --Golf World
- "We created a golf course that appears to have been designed by its setting, and on which every hole offers a view of the Sea of Cortes. The desert sun produces an intensity of light and shadow that sometimes...creates a mirage effect."  
– Robert Trent Jones, Jr.
